- ~~AV~~

- a. AVC Vasquez made an initial comment prior to Mike Wilkins' report: At the last board item there was an item appointing a new B&G Director, Anthony Tave. No start date was provided.
- b. Air filters – Effort to meet requirements by buying filters for the entire district. We are in the purchasing phase of this project. We will be meeting the standards of MERV 13 – 14 in those areas that have air filters. Not every building has a full HVAC system and that will be addressed separately.
