

		planning including the Budget Committee (PGC) and Program Review Committee (Academic Senate). Fall 2019 Annual Plans have been submitted and approved for consideration.	
4.	EMP Implementation	- The committee received a Status Report on Various Resource and Support Plans that are currently in development, particularly Professional Development (PD), Technology, and Strong Workforce. See slides for details. - As requested by the Planning Committee and emphasized by the Educational Master Plan, each of these developing plans contains a focus on communication. - The Institutional Assessment Plan is also being updated by members of the SLO team to more accurately reflect evolving changes.
