Dear Students,

Welcome to our campuses at City College of San Francisco! We are excited that you have chosen to study the Health and Safety Career Pathway. Health and safety careers as the essential workers supporting our community in times of crisis. Our CCSF programs will prepare you for the future. There has been a time of great expansion in the health and safety field. The number and variety of opportunities for our students continue to grow.

At City College we offer a variety of health and safety programs. The full list of the programs that we offer can be found on our CCSF web site at <https://www.ccsi.edu/degrees-certificates/health-and-safety>. The dedicated faculty at CCSF are always working to make sure the programs that we offer will give you all the current tools you need to succeed.

In addition to the wonderful programs, the Health and Safety Access Network made up of faculty, staff and administrators are here to support you in your journey. Your success network connects with you through a Canvas shell where you can find access to resources, support services, and even get help with enrollment and support your learning. Join the Canvas shell by clicking on this link: [Health and Safety Access Network](#). We have peer coaches, faculty mentors, librarians, and tutors available for drop-in hours starting the second week of the semester. Please drop-in and say hi! Please let us join you in your journey to your next degree or career.

With love,
Edith A. L. Kaeuper
