		<p>Dr. Wilkins introduced Jane Ernstthal Student Health Services provided an overview of the Masking Practices/Protocol Recommendations as follows:</p> <ul style="list-style-type: none"> x SMARTER PLAN Coronavirus COVID-19 Response x General Information about masking x Health and Safety masking recommendations x Mask signage about masking on campus <p>Comments:</p> <p>Michael snider expressed his enthusiasm about wearing masks in high-risk areas, and stated that the District should have the responsibility of PPE for the safety for our students and staff.</p> <p>Mary Bravewomen also agrees with Michael Snider that PPE is provided to Faculty, students and staff.</p> <p>Angelica Campos expressed her concerns about what areas the District students need to mask. She highlighted the confusion that students may have with the current message. She hopes that it is clarified moving forward.</p> <p>Jane Ernstthal agrees with Angelica and explains that the high-risk areas would be required to wear mask.</p> <p>Mitra Sapienza expressed her concerns about where we are seeing a lot of people not wearing mask and how are we going to enforce this moving forward.</p> <p>Maria Salazar Colon expressed her concerns about moving forward with having a clear message with the procedures and processes for mask wearing for Faculty, students and staff.</p> <p>Response: Jane Ernstthal, Health Center Department agrees with Mitra and Maria to have proper signage and proper mask wearing in high-risk areas on campus moving forward. She stated that by having a clear process would make it easier to move forward.</p>
